## MEEDIAALASTE VEEBILINKIDE VALIKKOGU

Publitseeritav meedialinkide valikkogu on sündinud nii huvist kui vajadusest. Alustasin ringhäälingu- ja laiemalt meedia-alase informatsiooni, õppe- ja teatmaterjali otsimist ja kogumist internetist juba 1996. aastal. Tasapisi kasvas sellest suurem üksiklinkide ja veebiaadresside kogu, mida tuli parema ülevaatlikkuse ja kasutatavuse huvides hakata korrastama, annoteerima ja süstematiseerima. Muidugi oli tolle perioodi interneti plahvatuslikus infovoolus ja kodulehekülgede produtseerimise lauslaines raske järke pidada. Paljud alustanud entusiastid jätsid oma lingikogud pooleli, sest kasvava teabevoolu pidev jälgimine ning uuendamine muutus liialt aeganõudvaks. Õnneks jätkus maailmas ülikoolide ja suuremate firmade toel entusiaste ja vahendeid, et hakata looma nii universaalsema iseloomuga kui ka temaatilisi ja spetsialiseeritud lingikogude kogusid ehk metasaitte. 1998. aastal muutsingi oma lingikogu peamiselt metasaitide koguks ning see sai aluseks **Concordia Ülikooli Meediakeskuse** loomisele veebis. Järgnevatel aastatel on seda kogu täiendatud, lisandunud on uusi valdkondi ja funktsioone, ennekõike tulenevalt meediateaduskonna õppevajadustest. Oma panuse kogumistösse on andnud ka Kristel Sarapuu ja Concordia meediaüliõpilased. Täismahus lingikogu koos linkide juurde

kuuluvate annotatsioonidega on veebis kättesaadav nii eesti kui inglise keeles Concordia Rahvusvahelise Ülikooli meediateaduskonna veebileheküljelt <http://media.ciue.edu.ee/eestiindeks.html>. Avaldan siinkohal valikkogu (ligi 400 linki) Meediakeskuse andmebaasist lootusega, et sellest on abi nii meedia-üliõpilastel, meediaõppejõududel kui meediaprofessionaalidel. Vabandan ette, kui mõni link või sait, mis raamatu trükkimineku ajal veel töötas, selle ilmumise ajaks juba kadunud on. Internet muutub kiiresti. Seetõttu oleksin tänulik informatsiooni eest, mis võiks muuta Meediakeskuse lingikogu paremaks, täielikumaks ja kasulikumaks. Ootan lugejate märkusi e-posti aadressil [hagi@ciue.edu.ee](mailto:hagi@ciue.edu.ee).

Allpool avaldatavad veebileheküljed, andme- ja teabekogud on jagatud järgmistesse kategooriatesse:

- Eesti meedia internetis
- Eesti meediahariduskeskused
- Suured meediaandmebaasid
- Meediaharidus
- Arvutipõhine ajakirjandustöö
- Meediaregulatsioon ja -etika
- Ringhääling (raadio ja televisioon)
- Meediaterminoloogia
